

MERGERWATCH

PROTECTING PATIENTS' RIGHTS WHEN HOSPITALS MERGE

15
Years

Celebrating 15 years of
women's health advocacy

You are invited to a special film screening!

Join us to watch a short film about MergerWatch, the advocacy organization that helped our community defeat the affiliation between Sierra Vista Regional Health Center and the Carondelet Health Network. The film features familiar faces behind that struggle including Dr. Bruce Silva, Dr. Rob Holder and the famous picketers!

Following the film, there will be a discussion about the future of our local hospital as the search for a new partner continues.

Sunday, October 21 at 1pm

**The Sierra Vista Library, Mona Bishop Room
